FLORIDA

Sunshine. Hurricanes. Disney. Alligators. Space. Pythons. Beaches. All are evocative of modern Florida: a mix of endless summer and destructive storms, amusement parks and deadly predators, invasive species and gateways to the final frontier. This is Florida today.

The forthcoming anthology, *Florida*, is a collection of stories about the sunshine state. From Miami to Jacksonville, Melbourne to Tampa, Orlando to Tallahassee, Florida is more than citrus, swamps, and mosquitos. It's about living the good life!
